

THE CILIP CARNEGIE AND KATE GREENAWAY SHADOWERS' CHOICE AWARD CERTIFICATE COMPETITION

Competition details

This year sees the introduction of the Shadowers' Choice Award, voted for and awarded by you, the shadowers. The winners will be revealed at the announcement ceremony on Tuesday 18 June 2019.

CILIP invites shadowers to get creative and design or illustrate the winning certificate. A winner will be chosen for each medal and these will be presented to the winners of the Shadowers' Choice Awards at the ceremony in June.

One book will be chosen as the Shadowers' Choice from both the **Carnegie** and the **Kate Greenaway** shortlists. That means we will need two certificates to present at the announcement ceremony.

Prizes

Prizes are available for two shadowers:

One for the Carnegie winner

One for the Kate Greenaway winner

The two winning shadowers will win a ticket and travel to the announcement ceremony on Tuesday 18 June in London (this includes a plus one for their chaperone).

- They will be given the opportunity to present the certificate featuring their winning design to the Shadowers' Choice Award author or illustrator on stage at the ceremony.
- In addition, they will get the chance to meet the shortlisted authors and illustrators, have their photo taken with the winners and receive copies of the winning books signed by the author and illustrator.

Please note that CILIP will cover reasonable travel costs for the winner and their chaperone to attend the ceremony.
