

# ACTIVITY 8: ELIMINATION PUZZLE

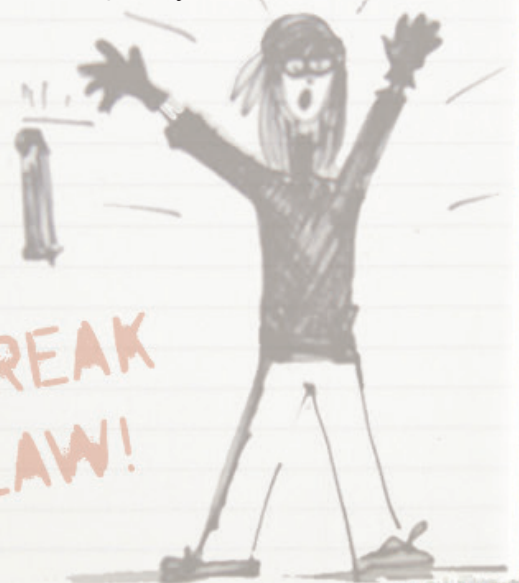

Thrilling  
The Russian,  
ADDICT  
September 2007

Solve these sixteen clues each of which eliminates a pair of words on this list of 33 words. The answer is the **single word** you have left at the end.

For example: two which go with floor might be **ground** and **plan** (*ground* floor and *floorplan*), or renovation might be **make** and **over** (*makeover*), or two antonyms for small might be large and big.

DONT BREAK  
THE LAW!

John. The theory is that stripping the skin of its protective layer allows allergens to penetrate the body.
